Boston Highlands
32 Woodbine St

March 20. 74.

My Dear Sir —

I have just read with deep admiration & approval yr letter in the Journal of to night — God bless you for it — and may the power wh inspired you to write it, now cause the infamous resolutions in commendation of Fillmore, to be erased from the records of the Commonwealth —

With gt respect

J. M. Sterling —

a member with you, of the first Anti-Slavery Convention in Philadelphia in 1833 —
